To all red-blooded American citizens:

If you ride a motorcycle, we want you to escort the 21st Century Paul Revere team into your state capitol this summer. Check the web site for dates and times. Take off from work for an hour or a day or a week to ride with the team. Be a part of history - make Paul Revere proud; wear the T-shirt; tell your friends.

Just imagine 1,000 to 10,000 motorcycles circling your state capitol demanding a stop to the illegal immigration invasion of America. They ride into 48 state capitols this summer to show you HOW to stop the invasion. Fly Old Glory from the back of your bike to show your colors! This is going to be BIG!

The ride began in Denver on May 29, 2006 and ends in Washington, DC on August 12, 2006 with a massive motorcycle rally at the capitol steps.
